

## Commitment to Impartiality

Global Quality Technology Group Pty Ltd, registered in Australia in 2001 and also known as GQ, is a type-A inspection body with a separate account and independent director. The company is mainly engaged in inspection and verification of commodities such as solid wastes as raw materials, food and beverages, cosmetics, car seats, etc.

To ensure the impartiality, accuracy and authority of inspection results, we hereby promise the following:

1. GQ is not engaged in design, production, supply, installation, purchase, possession, usage or maintenance activities related to inspection items.
2. GQ ensures to carry out inspection and verification activities with impartiality, independence, freedom from conflict of interests, freedom from bias, fairness and detachment, and will be not compromised and interfered by politics, economy, and interests in any other aspects.
3. GQ is independent of all the parties involved and strictly prohibits inspectors who serve as a designer, manufacturer, supplier, installer, purchaser, owner, user or repairer on behalf of GQ to perform inspection or verification activities of specific items.
4. GQ will not be compromised by improper external or internal pressure, which involves politics, finance, market, customer relations, technical factors, etc. When the activities have risks being compromised, staff members should record and report to the supervisors immediately.
5. GQ implements policies, laws and regulations of the countries where we work, and complies with contracts, standard methods and working procedures to ensure that the inspection and verification results are accurate and reliable.
6. The staff members of GQ are not allowed to engage in committing illegalities for personal gains, practicing favoritism or fraud, and are not allowed to undertake or participate in the activities which have risks to its impartiality.
7. GQ complies with objective reality that presents every result or conclusion accurately and truthfully. GQ will take the relevant administrative and legal responsibility for the validity of every certificate and report.

The above commitment is posted on GQ's website, and we will accept the supervision from all sections of society.
